

Hunt's Mills Community Gardens APPLICATION FORM

Thank you for your interest in the Hunt's Mills Community Gardens, the first community gardens in the City of East Providence! We built the gardens in summer, 2020, began taking applications in fall, 2020, were sold out by winter, 2020 and began gardening in spring, 2021. There are 26 raised garden beds including 4 handicap accessible beds, within a 50'x 50' fenced in garden space. Gardening advice and workshops are available to community gardeners during the museum's monthly Open Houses on the 2nd Sunday of the month from 1-3:30pm and during the Master Gardener Wine & Weeding sessions on the 1st Tuesday from 4-7pm. There is a \$25 seasonal fee and a signed contract which outlines guidelines and expectations. The gardens are currently sold out, but if you would like to be placed on the waitlist, you can download and fill out the form. You can bring the form by the Hunt's House Museum or mail to:
East Providence Historical Society, P.O. box 4774, East Providence, RI 02916-4774
